

## **NOTICE OF AVAILABILITY**

The U.S. Department of Energy (DOE) has prepared a draft Environmental Assessment (EA) to analyze and describe the potential environmental impacts associated with the:

**Crowder College**  
**MARET Center Construction Project**  
**Neosho, Missouri**  
**DOE/EA 1656**

DOE's Golden Field Office has prepared an EA in accordance with the National Environmental Policy Act (NEPA). Crowder College is proposing to construct and develop their Missouri Alternative & Renewable Energy Technology (MARET) Center, a proposed net-zero energy prototype building, with Congressionally Directed Federal funding from DOE. The draft EA is available for review on the DOE Golden Field Office website:
